Words can't describe
the anguish I felt that

When this is, that is;

this arising, that arises.

When this is not, that is not;

this ceasing,

that ceases.

or dependent origination.

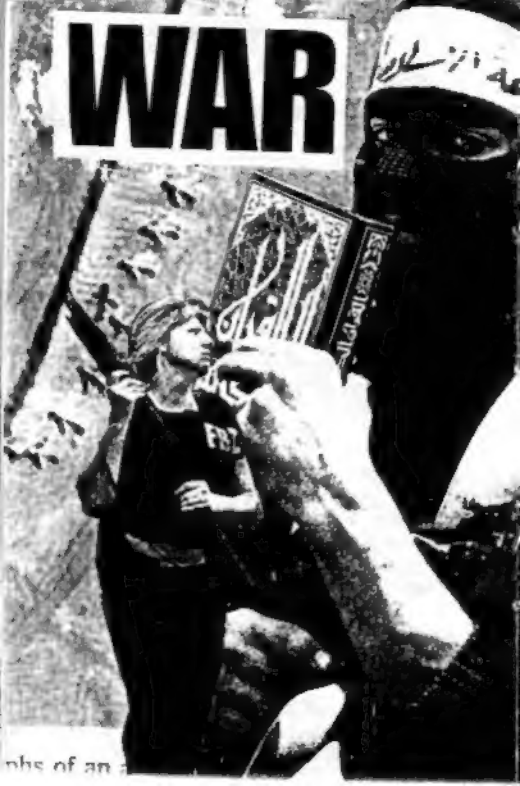

Humanity is now the victim.

WAR

phs of an a

violence

that

arises within oneself, does it

arise to one's profit

or to one's loss?

The sage tells the king that
fines, bonds and death for the
wrongdoers would be self-defeating.
Punishment is not the right path.
On the contrary, it would increase the malady
because the root causes remained untouched,

"Just as I am

so are they.

just as they are so am I"

Victory breeds hatred,
The defeated live in pain.
Happily the peaceful live,
Giving up victory and defeat.

A God praying man
Missing

He prayed for the world, no hate in his
Heart for anyone.
